Charlton City, MA 01508

Thank you for your support!

WE ALL SHARE THE SAME FRONT YARD!

WE ALL SHARE THE SAME FRONT YARD!

Good stewardship of the lake starts with YOU! Your involvement in your neighborhood is crucial for the lake, it's wildlife inhabitants, your neighbors and YOU!

An all-volunteer organization, your membership is not required. Why it is so important that all property owners get involved. There are lots of ways to show your support, but the best way is to join us!

Your \$30 membership not only helps the GEIA conduct its business of holding open meetings, organizing fun(d)raising efforts and lake management that benefit all property owners, it keeps you informed about all the important issues that impact life on our beloved lake, the front yard we all share.

Remember our other neighbors who have no voice, but also rely on us to take good care of the lake we all call home. Your membership in the Glen Echo Improvement Association shows that you care by taking personal responsibility to support your fair share of ALL of your Association's business, including theirs.
