

WE ALL SHARE THE SAME FRONT YARD!

Good **stewardship** of the lake starts with **YOU!** Your **involvement** in your neighborhood is **crucial** for the lake, it's wildlife inhabitants, your neighbors and **YOU!**

An all-volunteer organization, your **membership is not required.** Why it is so important that all property owners get involved. There are lots of ways to show your support, but the best way is to join us!

Your **\$30 membership** not only helps the GEIA conduct its business of holding open meetings, organizing efforts and lake management all property owners, and lake, it keeps visitors to our beloved lake, **the front yard we all share.**

Remember our other **neighbors** who have no voice, but also rely on us to take good care of the lake we all call **home.** Your **membership** in the **Glen Echo Improvement Association** shows that you care by taking personal responsibility to **support your fair share** of ALL of your Association's business, including theirs. ♪
